For the Health of Us All

Mental Health, Substance Abuse, and the Well-Being of Communities

April 8, 2009
7:00 p.m.—9:00 p.m.

EE Burritos
22nd Street
& Avenue P South
Saskatoon

For information
contact:
info@shrf.ca

Mental health problems and substance abuse are often symptoms of deeper issues within families and communities. What can be done to overcome these challenges? How can our communities help and create hope, for the well-being of us all?

Join some of Saskatchewan's top social scientists at this Café Scientifique as they discuss how they are tackling these issues – and what they're finding out. Bring your own ideas and join the conversation!

Our Experts:

Sharon Acoose
